ways of the dark side of the Force as the secret apprentice of the Sith Lord Darth Vader.

Assassin's Creed: Brotherhood Review - IGN Assassin's Creed II is definitely one of my favourite games of the last 12 months. It was a meaty gaming meal that took several steps towards fulfilling the promise of the original, with new mechanics, more variety in gameplay, and an alluring new setting: renaissance Italy. It was a big leap, in. The Sharks of 'Assassin's Creed Odyssey' in Flesh-Rending ... The Sharks of 'Assassin's Creed Odyssey' in Glorious, Flesh-Rending Action.
