## Sample 1:

Reggie returned a few hours later that evening and quietly unpacked in his new room while Christy and Dave went to bed. When Reggie finished settling in, he turned off the light.

After a few moments Reggie's eyes adjusted to the darkness and he silently made his way down the hall to Christy's and Dave's bedroom door, which they carelessly left slightly ajar. The sound of lovemaking - the rhythmic squeak of bedsprings, the grunts and groans of two young people lost in passion - grew louder as Reggie approached. He stood at the threshold to their room and peered through the sliver of an opening at the two shadowy figures moving in unison, his black skin providing a perfect camouflage in the dimness of night. Reggie got wood. His cock pushed against inadequate room in his gym shorts and sought release from its confinement.

His time with her would come.

"Oh, I'm going to cum," Reggie heard Dave exclaim. Reggie quietly returned to his room undetected.

"Oh, I love you," Christy cried as she wrapped her arms around her husband in a tight embrace and his body grew tense from his orgasm. Dave withdrew his modest, condom covered penis from Christy's tight vagina and turned on the light on the nightstand beside their bed.

The thin, latex membrane, slick with Christy's juices, contained a small amount of Dave's ejaculate in its tip. Christy watched Dave slide the protective barrier off. The two had agreed to wait until after their financial situation improved before starting a family.

## Sample 2:

"Please, don't do this," Christy cried between wheezes.

Reggie forced her smooth, long legs apart on reconnaissance of her treasures he planned to plunder. He loved how these high class white girls kept their pubic areas so immaculately groomed.

Reggie's eyes feasted on Christy's naked body: gentle feminine curves; genitals lacking hair or stubble because of laser treatments, almost appearing pre-pubescent except for a neatly trimmed bush no larger than a thumbnail; a flat tummy, delightful belly button and defined abdominal muscles; firm, c-cup tits crowned with pink areolas the size of quarters. Christy's silky white skin contrasted with Reggie like type on a page. Her youthful body seemed to lack imperfection like her beautiful face.

Dave was a fool to leave such a gem unguarded with a thug like himself, Reggie thought reaching down between Christy's splayed legs and gently parting her labia for a closer inspection of her pussy.

"Oh, God - no! Please don't!" Christy wailed, as she felt Reggie manipulate her privates like they belonged to him. She reached down and grabbed Reggie's wrist to stop him.

Reggie reached up and twisted her delicate, pink nipple, causing a jolt of pain that would later become a bruise on the perfectly formed flesh. Christy immediately released Reggie's hand.

Reggie resumed spreading her labia, locating Christy's clitoris among the delicate pink folds. He licked his thumb and began softly rubbing it's smooth, pink hood.

"Please stop doing this to me. I won't tell anyone if you let me go," Christy pleaded as Reggie sat between her open legs fondling her private parts. She hated this disgusting, subhuman animal.

Reggie noticed Christy's clit slowly grow larger from his fillips. He excited the timid head of her clitoris into making its debut for him as he expertly coaxed it from its protective cover.

"I'm married. Why are you doing this? Christy sobbed as Reggie caused involuntary responses. Her pink flesh glistened with secretions, inviting him to drink her nectar.
