We do not have responsibility with content of this book.

Sawyer Sterling needs a girlfriend. With the family cabin up for grabs, he's desperate to prove that he could be the guy to "pass it on." Of course, Sawyer also has a tendency to treat relationships like a contagious stomach flu that should be avoided at all costs. Now he needs a girlfriend-for-hire. Someone he can trust. Someone he could never, ever fall for...

Someone like his best friend's sister.

Sawyer's offer is exactly what Olivia Morgan needs. After traveling around the world for the last five years, the promise of a job and free accommodations is heaven. And sure, maybe Sawyer's a super-hot, charming guy with dimples made for kissing, but he's not willing to be the guy "or relationship" she needs.

All it takes is one hot hook-up before this little hoax gets blown all to hell...
