We do not have responsibility with missing file of this book.

Rowan and Citra take opposite stances on the morality of the Scythedom, putting them at odds, in the second novel of the chilling New York Times bestselling series from Neal Shusterman, author of the Unwind dystology.

Rowan has gone rogue, and has taken it upon himself to put the Scythedom through a trial by fire. Literally. In the year since Winter Conclave, he has gone off-grid, and has been striking out against corrupt scythesâ€”not only in MidMerica, but across the entire continent. He is a dark folk hero nowâ€”â€œScythe Luciferâ€”â€”a vigilante taking down corrupt scythes in flames.

Citra, now a junior scythe under Scythe Curie, sees the corruption and wants to help change it from the inside out, but is thwarted at every turn, and threatened by the â€œnew orderâ€” scythes. Realizing she cannot do this aloneâ€”or even with the help of Scythe Curie and Faraday, she does the unthinkable, and risks being â€œdeadishâ€” so she can communicate with the Thunderheadâ€”the only being on earth wise enough to solve the dire problems of a perfect world. But will it help solve those problems, or simply watch as perfection goes into decline?
