A brand new series for fans of all things related to history, romance, adventure, faith, and family trees.

Mary Chapman boards the Speedwell in 1620 as a Separatist seeking a better life in the New World. William Lytton embarks on the Mayflower as a carpenter looking for opportunities to succeed—and he may have found one when a man from the Virginia Company offers William a hefty sum to keep a stealth eye on company interests in the new colony. The season is far too late for good sailing and storms rage, but reaching land is no better as food is scarce and the people are weak. Will Mary survive to face the spring planting and unknown natives? Will William be branded a traitor and expelled?
